

As an extension to the regular services provided at the terminals, such as storage and handling of the cargo, ARRC group of companies can offer some additional services:

At the Sea Port of Saint-Petersburg

- JSC Baltic Mercur provides forwarding services at the port and also arranges for surveys, tallies, repackaging, cargo marking, etc.

At US East Coast and Gulf Coast Ports

- ARRC offers container stuffing/unstuffing, stenciling of unmarked cargo, additional packaging, surveying.
